

### How to Order:

- \* Email **talesofarcanaarpg** at **gmail dot com**, stating you'd like a copy, preferably with the subject line "Sales of Arcana".
- \* I'll confirm whether or not I have copies available, but if I do, I'll have you Paypal **\$38** to a specified email address (This is the cost to ship within the US. This includes the cost of the game, tax, shipping, and the Paypal transaction fee.)
- \* If you want multiple copies, or shipping to a different country, let me know those details and I can see how much that cost would be. The games will be \$30, but the big difference in price will be destination.
- \* I will mail the copy (or copies) the next day.
